# EXHIBITOR PACKAGE

6<sup>th</sup> GCC Financial Markets & Treasury Conference

19<sup>th</sup> - 20<sup>th</sup> November, 2026 | Dubai, UAE 

# About UAE FMA

## Who we are

- The UAE Financial Markets Association (UAE FMA) is the national professional body representing financial markets practitioners in the UAE.
- It brings together professionals from banks, financial institutions, and market practitioners.
- UAE FMA operates as a platform for knowledge sharing, networking, professional development, and global markets best practice.
- UAE FMA is officially licensed by the Ministry of Social Empowerment at the federal level and the relevant social affairs authority in Dubai.

## What we do

- Create a platform for networking, and knowledge sharing.
- Deliver professional training, certifications, and continuous learning
- Organise regional and international conferences and forums
- Promote ethical standards, market integrity, and global alignment and model code for markets professionals.
- Act as a bridge between local financial institutions and international financial bodies.

# About 6th GCC FMT Conference

## Who we are

The 6th GCC Financial Markets & Treasury Conference is a flagship regional event, bringing together treasury professionals, financial institutions, regulators, central banks, corporate leaders, technology providers, and industry experts from across the GCC and international markets.

Designed as a high-level knowledge-sharing and networking platform, the conference addresses the latest developments shaping treasury management, financial markets, digital transformation, capital markets, risk management, liquidity, payments, and financial innovation. Over two days, delegates will exchange ideas, build strategic partnerships, discover emerging technologies, and gain practical insights from some of the industry's leading experts.
